

INSTALACIÓN DE WINDOWS

Andrés Camilo González Velásquez.

Tec. Software.

- Para instalar Windows en un equipo que no tenga ningún sistema operativo instalado usted necesitara:
 - Una USB con el iso del Windows o un cd.
- Tomando en cuenta de que no necesitara particionar el disco duro puesto que será el so principal, lo que le aparecerá será lo siguiente:

Lo que debe de hacer aquí es insertar el USB o cd con el iso del Windows y luego presionar cualquier tecla

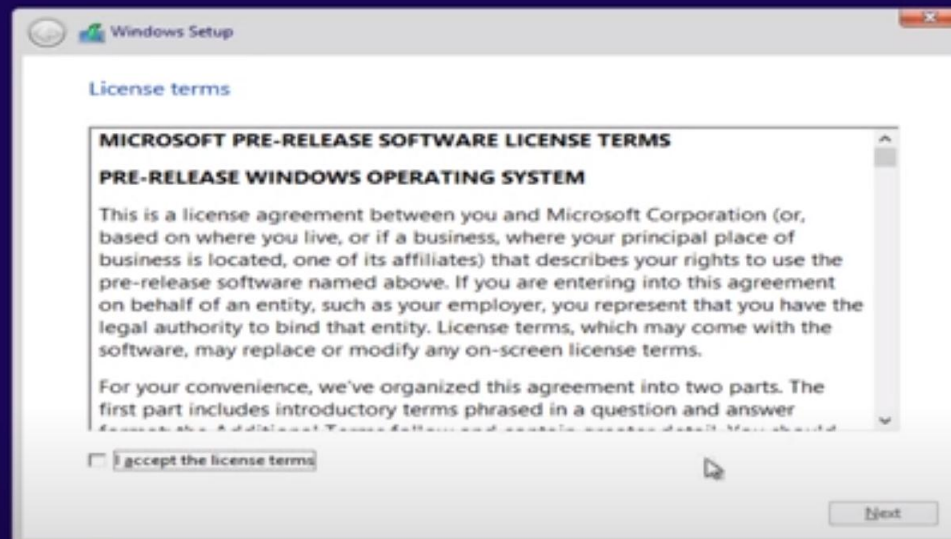

Press any key to boot from CD or DVD..._

Aquí deberá seleccionar el lenguaje de preferencia, su zona horaria y el tipo de teclado y luego darle a continuar

Settings

Express settings

We recommend these settings, which include occasionally sending info to Microsoft. You can customize these settings now or later.

- Automatically find and connect to devices and content on this network.
- Automatically install Windows updates, app updates, and device software.
- Turn on Do Not Track in Internet Explorer.
- Help protect your PC from unsafe files, apps, and websites, and check online for solutions to problems.
- Help improve Microsoft software, services, and location services by sending us info.
- Use Bing to get search suggestions and web results in Windows Search, and let Microsoft use your location and other info to personalize your experiences.
- In Internet Explorer, use page prediction to preload pages, which sends your browsing history to Microsoft.
- Let Windows and apps use your name, account picture, and advertising ID, and request your location from the Windows Location Platform.

Windows Technical Preview
Evaluation copy. Build 9599

ESP 01:28 p.
ES 10/10/20

The image shows a Windows 10 desktop with a blue background. The Start menu is open, displaying a list of applications on the left and a grid of live tiles on the right. The live tiles include icons for People, Calendar, Store, and Mail. A notification banner is visible in the middle of the Start menu, featuring a group of people and the text "Mator: 'No tenemos más información que lo que...". The taskbar at the bottom contains the Start button, search icon, and several application icons. The system tray in the bottom right corner shows the time and date as 01:28 p. on 10/10/20, along with system icons for volume, network, and power. The text "Windows Technical Preview Evaluation copy. Build 9599" is visible in the bottom right corner of the desktop.

GRACIAS POR SU ATENCIÓN ._.XD
